## ONLINE TRAINING

## PUBLIC SPEAKING

Confident public speakers articulate clearly, making them happy. Our curriculum builds confidence in children so they can express themselves in group, making them confident and happy.

## DEBATE SKILLS

This course teaches students parliamentary and Lincoln-Douglas debate formats. It covers in depth knowledge of writing and presenting persuasive, informative and impromptu speeches.

## PERSONAL FINANCE

The financial decisions that we take, make a great impact in shaping our lives. Our course teaches students how to manage money matters, making them responsible and become financially independent in their lives later.

## MEDIKIDS

As parents, we do anything to protect our children and make them happy. This program is designed to inspire children towards learning about healthy habits and bodies in a fun practical way.

## WHO WE ARE

From 2010, we have aided copious of students to emphasize their ideas, and bring out the confidence in them. Our mission is to teach youth the importance of soft skills and create a platform to face the world as well as enrich the future workplace!!
